

# Training Services

## TRAINING ASSISTANCE

*SafetyWISE* is able to provide a wide range of training assistance, including train-the-trainer for compliance programs, tool box talks, and supervisor training. We are able to provide the training handouts, videos, and instructional materials. We use numerous audiovisual aids, depending on the topic and the training environment. Our staff is renowned for being trainers who are knowledgeable and interesting, dynamic, accurate technically. Trainee evaluations give the highest marks and praise.
